

**Compressed air for every  
challenge, whatever the  
environment.**

## **DIY/Contractor Series**

# Professional DIY/Contractor

Designed with more intense projects in mind, the Twin Force and Power Force combine mobility and elite performance to help you get the job done. Tackle projects such as building a fence, installing drywall or making repairs around the house, with the freedom of owning your own plug-in-play ABAC air compressor.

## Applications

Ideal for around-the-house projects where consistent and powerful compressed air is needed.

Inflating

Blowing

Nailing / Stapling

Cleaning

## Twin Force (4 GALLON)

Designed with a solid cast iron cylinder, maximum pressure regulator and oil lubricated pump, durability and performance is a top priority.

## Power Force (6 GALLON)

Featuring a compact pancake design for maximum stability with powerful, durable components.

## Features & Benefits

**Lightweight** // Easy to Move Around the House, Garage or Job Site

**Versatile** // An Air Compressor for All Your DIY Projects

**Performance** // Powerful & Easy to Operate Designs

**Robust** // Strong Construction, Durable Components

**Compact** // Easy Mobility & Portable Design

# At-Home DIY

Designed for at-home and do-it-yourself projects, the Suitcase, XPN Flex, and Silent Roll Cage are the perfect addition to any home, garage or workshop. With the ability to be plugged into a standard home wall outlet, the opportunity for do-it-yourself projects are endless!

## Applications

Ideal for a variety of at-home maintenance projects ranging from inflating tires, balloons, or pool floats to cleaning air filters.

Regulator

### Suitcase (1.6 GALLON)

Lightweight design featuring an enclosed pump, maximized portability and enhanced safety. The Suitcase also has a built-in compartment that comes with a 16 ft. air hose and quick disconnect connector.

### Silent Roll Cage (2 GALLON)

Operating at only 62 decibels, this silent unit is ideal for a variety of applications without compromising efficiency levels.

### XPN Flex (TANKLESS - BUILT IN HOSE REEL)

The XPN features a one-of-a-kind wall mount allowing for increased workspace, built-in 23 ft. hose reel as well as a quick disconnect connector. The XPN also contains a convenient handle for easy mobility and 10-piece inflation kit.

Model	Part Number	Gallon	HP	Max PSI	Power Supply (V)	dB(A)	Weight (lbs.)	L x W x H (in)
Twin Force	1129741149	4	2	135	115V	72	53	16 × 19 × 17
Power Force	2025066004	6	1.5	175	115V	77	40	17 × 17 × 20
Suitcase	2025066005	1.6	1.5	120	115V	77	22	10 × 13 × 22.5
XPN Flex	2025066006	N/A	1.5	130	115V	77	13.5	10 × 16 × 17
Silent Roll Cage	2025066007	2	1.2	135	115V	62	41	17 × 17 × 15.5

**Air. Anytime. Anywhere.**

**Reliability and Excellent  
Performance for Your Business**
