the DUS 185 | Diesel Rotary Screw Air Compressor

The BOSS Final Tier 4 Diesel Utility Skid is the perfect 185 Skid Mount Rotary Screw air compressor for operating 2 90lb jack hammers and more!. This unit incorporates a proven Final Tier 49 HP diesel engine mated to a skid mounted air compressor. Strong, durable and now with a full digital control system!

This controller allows for a full system integration featuring all the typical safety shutdowns such as;

- Compressor temperature
- Discharge Pressure
- Engine oil pressure
- Engine temperature
- Voltmeter
- Tachometer,
- Fuel level - low fuel warning and shutdown
- Complete engine diagnostic tool
- Unit converter
- Multilingual capabilities
- Waterproof up to six feet

Typically, this BOSS application is mounted to the customers' vehicle for various tasks such as paint stripping, vacuum systems, and air tools.
