

# Motor Accessories | Universal Slide Bases

## Motor mount drop-in replacement for most major brands

WorldWide Electric's Universal Motor Slide Bases are a drop-in replacement for most major brands and the ideal solution to mount NEMA standard electric motors. Features include SAE Grade 5 motor mount bolts which are welded into place for durability and generously cut slide channels to allow for easy and painless motor positioning. These motor mounts are ideal for tensioning belts and any application where fine adjustment of motor position is required.

*Single adjusting screw on frames 56-145T*

*Dual adjusting screws on frames 182T-505T*

### Product Features

- Drop-in replacement for all popular brands of slide bases
- Steel construction
- Painted with oven-baked primer for better adhesion of customer's paint
- All D bolts (motor mounting bolts) are SAE grade 5 for strength
- D bolts are welded into position to prevent spinning and "dropping" from slots
- D bolts are fixed to the exact foot pattern of the motor to aid in easier motor installation
- Washers included
- Order code options table on next page
